Friday 13th February 2026

Welcome to our half termly newsletter.

Although we usually share our newsletters at the start of each half term, I wanted to send this edition out before the break to give everyone as much notice as possible about forthcoming dates and key messages for the weeks ahead.

Thank you, as always, to our parents and carers for taking the time to read through our newsletters. Your continued support really does mean a great deal to the whole team, and we are very grateful for the strong partnership we share with you.

Swimming

Swimming will continue for Children in years 3, 4 & 5 on Fridays. The last session will be Friday 20th March.

FONS

Friends of Newbald School

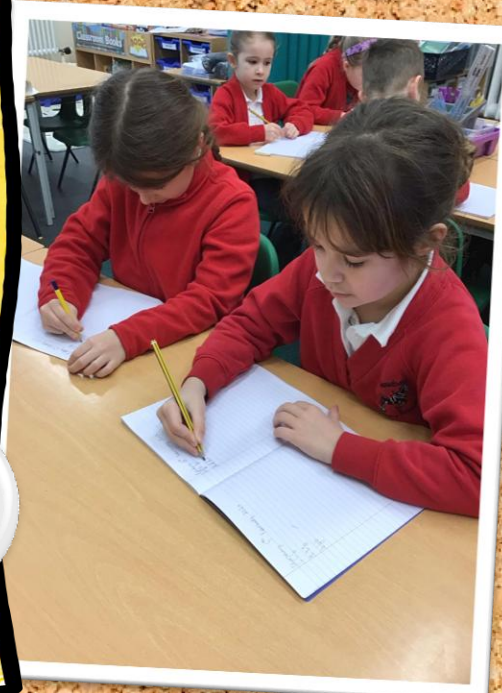

FONS Disco

The FONS Disco will take place on Friday 27th February from 5:00pm to 6:30pm. Further details are on the poster on the following page.

Please note that this will be a children-only disco, so there is no need for parents to stay. Children should be dropped off and collected from the main office entrance at the times stated on the poster.

Parent's Evenings

Shortly after the half term break, you will receive a letter with details about the forthcoming Spring Term parent consultation evenings, which are scheduled to take place on Wednesday 25th and Thursday 26th March.

FRIENDS OF NEWBALD SCHOOL PRESENTS

GLOW DISCO

Friday 27th February 2026

5:00-6:30PM IN THE SCHOOL HALL

TICKETS £5.00

INCLUDES A HOT DOG, DRINK,
GLOW STICK & GLOW FACE PAINT.

Tickets available from the school office from Mon 23rd Feb.
Bring pennies for the tuck shop! Adults aren't required to attend.

Residential Visit and Information Meeting

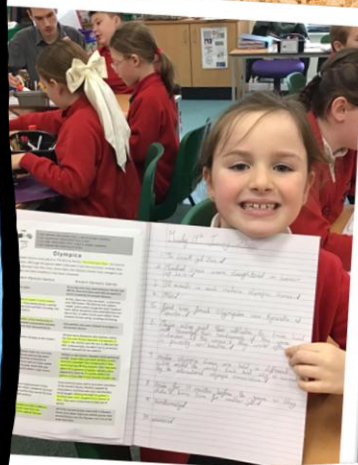

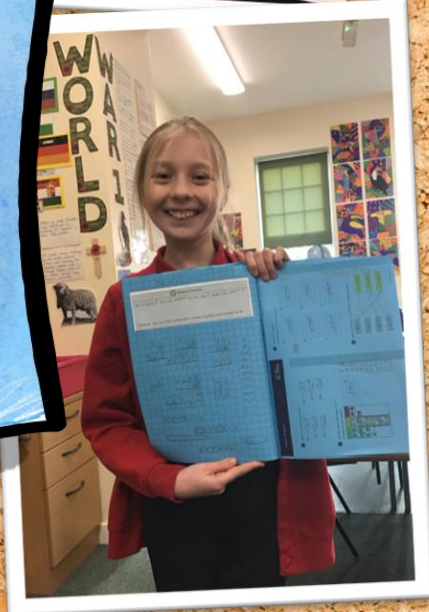

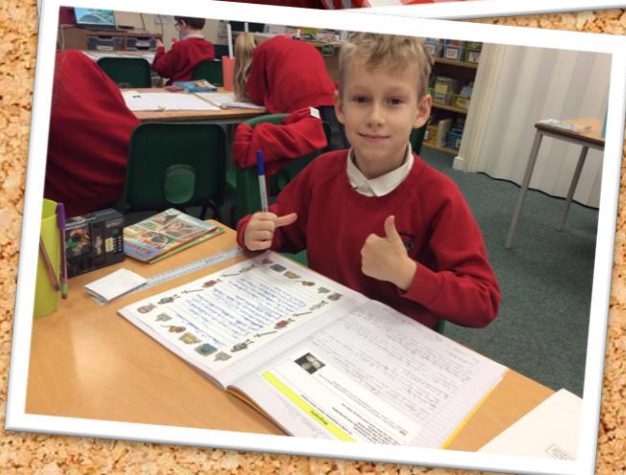

Thank you to the parents and carers of our Year 5 and Year 6 pupils who attended the recent information meeting about the residential visit to Robinwood in Wales. It was lovely to see so many of you there.

We have created a dedicated page on our school website which contains all of the information shared at the meeting, along with additional details and resources. You can find this here:

https://newbaldprimary.org.uk/parents/residential_visit_information/residential_visit_information.html

If there are any outstanding child personal information forms, we would be grateful if these could be completed and returned to school as soon as possible.

Thank you for your continued support.

Welcome Miss Tevenan

We welcome Miss Tevenan to the team here at Newbald. She is joining us from Yorkshire Wolds Teacher Training and will be teaching along side Miss Alcock in Fox Class.

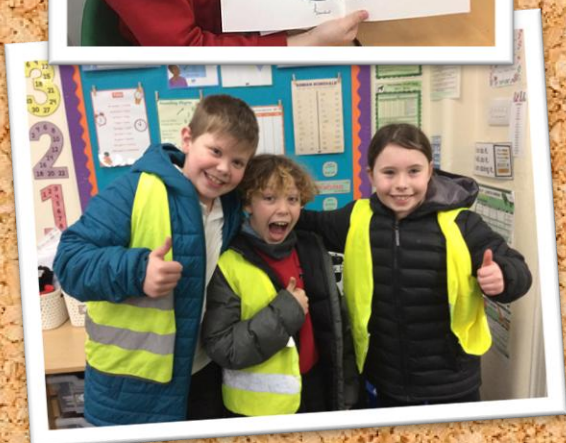

Problem Solving Mini Topic

We are very excited about our forthcoming Problem Solving Mini Topic. On Wednesday 18 and Thursday 19 March, pupils will be given opportunities to work beyond their own classes, encouraging them to further develop their executive functioning skills, including planning, organising and managing tasks, as well as their metacognitive skills, thinking carefully about how they learn.

Pupils will take part in an exciting two-day problem-solving mini topic. This will begin with a whole-school 'Whodunit' style team-building day led by Wise Up on the Wednesday, followed by a second day where children apply their English and Mathematics skills to a range of practical problem-solving challenges.

It promises to be a very exciting few days, challenging our pupils to apply their skills creatively and work collaboratively as a team.

Nut Free!

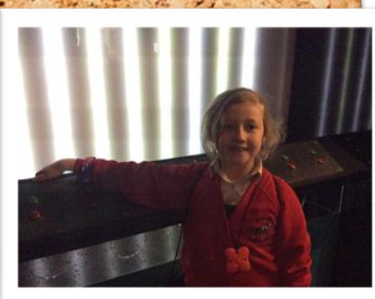

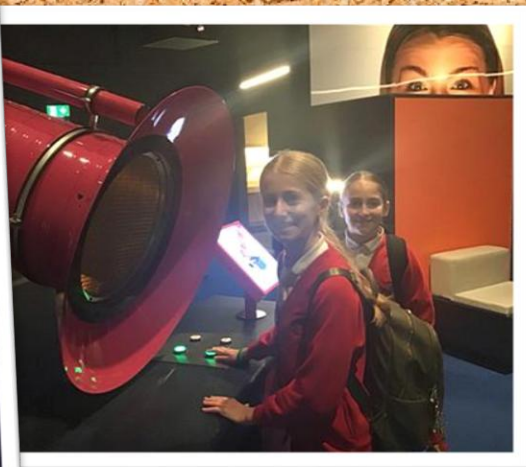

A reminder that our school is nut free. All items on our school menu are free from nuts. Please ensure that any items that children bring with them in a packed lunch also do not contain nuts. We also ask that grapes are cut in half.

KS2 Bradford Trip

All of the children in Key Stage 2 had an exciting opportunity to learn more about the Sikh faith during their visit to a Gurdwara in Bradford on Wednesday 21 January. The visit helped to deepen their understanding of the diverse religions that form modern Britain and enriched their learning in RE.

The children also visited the National Science and Media Museum, where they enjoyed exploring and interacting with a wide range of engaging exhibits. They had a fantastic time throughout the day and represented the school beautifully.

KIRFS - Key Instant Recall Facts

Thank you to our parents and carers for supporting children with their KIRFs (Key Instant Recall Facts). These are essential number facts that pupils need to know securely in order to make strong progress in mathematics. We consistently see accelerated progress and increased confidence in pupils who regularly practise these facts, particularly when applying them during maths lessons.

Each half term, teachers share the specific facts that children are expected to learn, and pupils are assessed towards the end of the half term. It is vital that all pupils develop secure recall of each milestone, and we greatly appreciate the support of parents and carers in helping children practise at home.

Regularly revisiting previously learned facts is also very helpful, ensuring they can still be recalled quickly, ideally within six seconds.

To view all of our KIRFs, please follow the link below to the KIRFs section of our school website:

<https://newbaldprimary.org.uk/curriculum/maths/kirfs.html>

Below is an overview of next half term's KIRFs for each year group.

Nursery	Reception	Year 1	Year 2
I can count objects saying 1 number for each item up to 5 I can say how many are in a set after counting	I can say 1 more or 1 less than a given number up to 10 I can say 1 more or 1 less than a given number up to 20	I know number bonds of 10 I know number bonds of 20	I know the multiplication and division facts for the 5 times table
Year 3	Year 4	Year 5	Year 6
I know number bonds for all numbers to 20. I can identify addition and subtraction fact families for all numbers to 20	I know the multiplication and division facts for the 12 times table.	I know key facts about geometry and shape (Yr5)	I know key facts about geometry and shape (Yr6)

	Hedgehog Class	Squirrel Class	Fox Class	Otter Class
Spring 2	Newbald 	Pirates & the Oceans 	Volcanoes, Earthquakes & Natural Disasters 	Human Rights Activists 

Topics for the next half term

The children have really enjoyed their Spring term topics, and there is plenty more to look forward to after half term. Hedgehog Class will be learning more about Newbald as their local area, Squirrel Class will be exploring pirates and the oceans, Fox Class will be learning about natural disasters such as volcanoes and earthquakes, and Otter Class will be studying Human Rights Activists.

We aim to share as much information as possible about our curriculum and what children learn as they progress through school. Please keep an eye out for the half termly class newsletters shared by teachers, which provide more detail about learning in each class. Further information about our curriculum is also available on the school website.

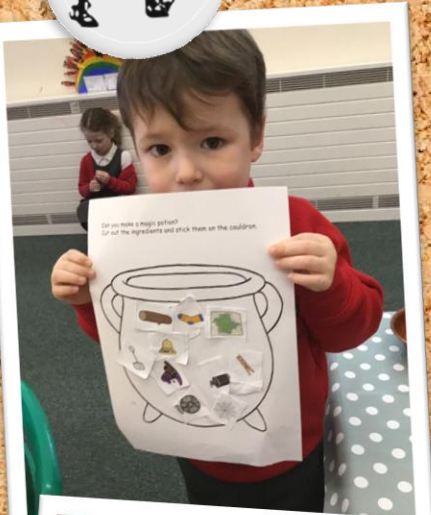

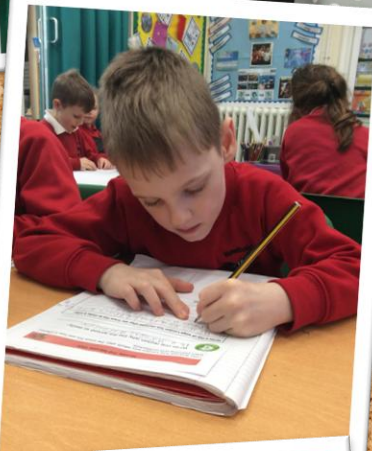

Some helpful links are included below for parents and carers who would like to explore this further.

2025 - 2026 Long Term Plan

[https://newbaldprimary.org.uk/documents/%5B1100259%5DNewbald Long Term Plan Cycle B Blue 2025 2026 Oct 2025.pdf](https://newbaldprimary.org.uk/documents/%5B1100259%5DNewbald%20Long%20Term%20Plan%20Cycle%20B%20Blue%202025%202026%20Oct%202025.pdf) Curriculum

Pages on the School Website

<https://newbaldprimary.org.uk/curriculum/curriculum.html>

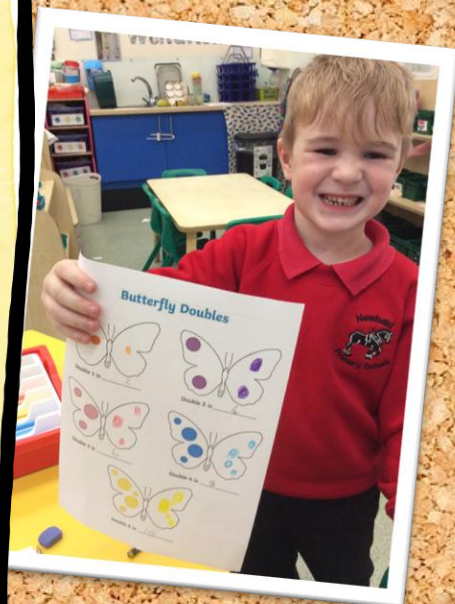

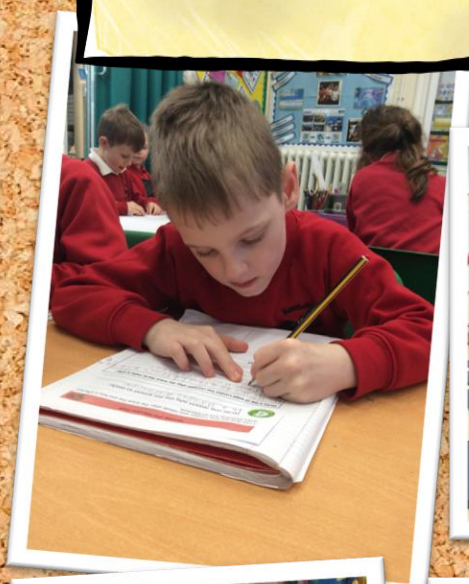

Key Maths Calculation Methods

We are keen to keep parents informed about developments to our curriculum. We continually review and refine what we do to ensure that our pupils receive the very best education possible, and we would like to share some of these updates with you.

On our school website, you can now read more about our key calculations approach, which clearly maps out the crucial calculation methods pupils are expected to have mastered by the end of each academic year. This works alongside our KIRFs (Key Instant Recall Facts), helping us to check and track the progress pupils make in Mathematics. Click on the link below to read more:

https://newbaldprimary.org.uk/curriculum/maths/key_calculations.html

Handwriting Update

We wanted to share a brief update about handwriting across school. We have refined our approach so that it is clear, consistent and aligned with national guidance.

In Nursery and Reception, children are now taught letter formation without lead-in and lead-out strokes. This allows pupils to focus first on forming each letter clearly and confidently, supporting both legibility and early writing confidence.

Once children have securely mastered individual letter shapes, they are then taught the exit strokes needed for joining letters, typically as they move into Key Stage 1.

As always, we share further detail about our curriculum, along with more information about our approach to handwriting and the milestones pupils are expected to meet, on our school website.

Please click the link below to read more:

https://newbaldprimary.org.uk/curriculum/english_reading/handwriting.html

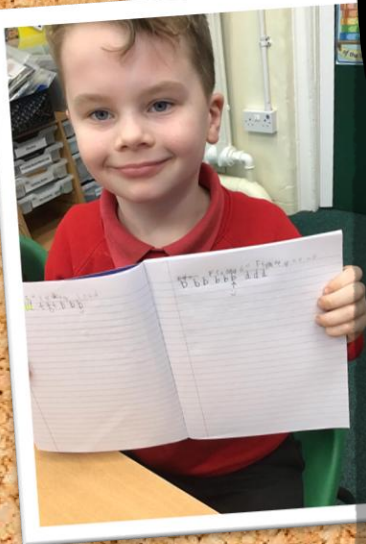

Careers & Education Pathways

We are keen that pupils build curiosity and a strong understanding of the world of careers and further education from the very earliest years through to Year 6. Our programme is carefully mapped to develop curiosity and show clear progression across each class. Careers learning is woven naturally through subjects such as PSHE and Design and Technology, helping pupils to make meaningful links between what they learn in school and future opportunities. Through visitors, themed afternoons, curriculum links and reflection on their own strengths and interests, pupils are encouraged to think positively and ambitiously about their futures.

You can read more about our Careers and Education Pathway on our website by clicking the link below:

https://newbaldprimary.org.uk/curriculum/careers_education_pathways/careers_education_pathways.html

This Half Term's Clubs

Due to the popularity of our current clubs, the same clubs will continue to run next half term. This includes Box to be Fit and First Steps Dance. A reminder that clubs can be booked one session at a time, making it easy for children to try something new or attend flexibly. Sessions can be booked up to 24 hours before they take place. Please do book early where possible, as places can fill up quickly. Booking in advance will help secure your child's place for each session.

Box 2 B Fit Limited to 14 places

Every Monday
starting 12th January - 23rd March
No session 19/1 and 23/2
Must be booked in advance via ParentPay up to 24 hours before the club starts. £5 per session

Every Thursday starting 8th January - 26th March 2026

Must be booked in advance via ParentPay up to 24 hours before the club starts.

FREE of CHARGE - Years 1 to 6

STREET DANCE with First Steps
Limited to 20 places

Free of charge!

Uniform, Earrings & School Shoes

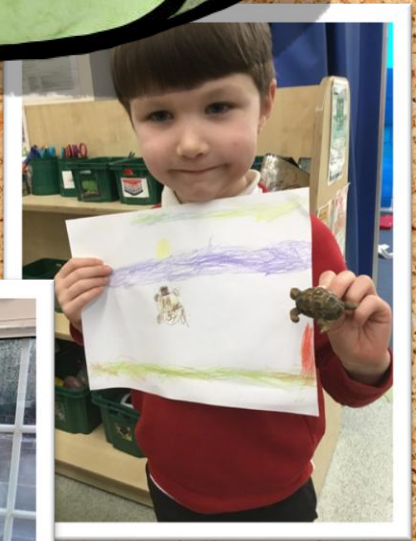

Thank you for ensuring that children come to school wearing the correct uniform. We ask that all pupils, including those in our nursery provision, wear the agreed school uniform and follow the school's uniform policy. This policy, in line with DfE guidance, can be found on our website or by clicking the link below:

<https://newbaldprimary.org.uk/parents/uniform/uniform.html>

We understand that, on occasion, adaptations to the school uniform may be needed due to unforeseen circumstances or weather conditions. However, we kindly ask that pupils are sent to school in the correct uniform wherever possible. Please inform class teachers if any temporary adaptations are necessary.

Whilst there have been no changes to our uniform expectations, we would ask parents and carers to take a moment to review our guidance relating to jewellery, footwear and hair.

- Jewellery and nail varnish are not permitted in school. One pair of stud earrings may be worn but must be removed for PE. If earrings cannot be removed, they will need to be covered with tape or a plaster during the lesson.
- Shoes should be black, smart and sensible, with a good tread. Heels and sports trainers are not permitted.
- We ask that long hair is tied back. This is both practical and helps reduce the risk of the spread of head lice. Should we be informed of any cases in school, parents will be notified accordingly.

Messages from School Council

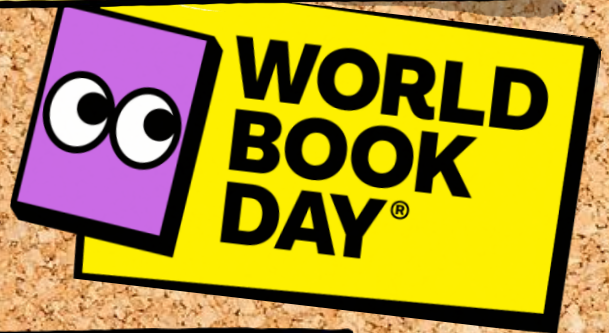

School Council

We have been very busy as a school council. We meet regularly and we have been organising some events that we would like to share with you.

Ella & Olivia

Miss E. Laister & Miss O. Cheesman
(Joint Chairs of School Council)

World Book Day Thursday 5th March 2025

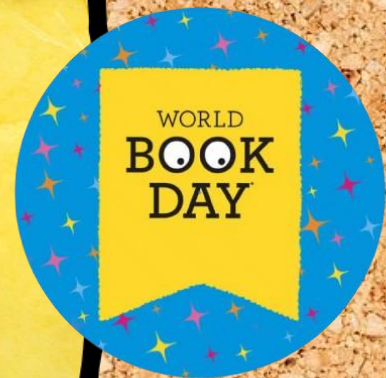

World Book Day is nearly here once again. On Thursday 5th March, we will be celebrating our love of books and reading across the school. Children are invited to dress up as a book character for the day.

There is no expectation to buy a costume. Children are very welcome to create a simple outfit or adapt clothes they already have at home. There are also lots of easy and imaginative ideas available online, and we would love to see as many children as possible getting involved.

World Book Day is the UK's biggest celebration of books and reading and provides a fantastic opportunity for children to talk enthusiastically about the stories and characters they enjoy. Teachers will once again be planning a range of exciting activities to help us celebrate reading together.

As in previous years, all children will receive a free £1 Book Token, which can be exchanged in participating bookshops for one of a range of specially published £1 books, suitable for a wide range of ages. If you prefer, the token can also be used towards the cost of a book priced over £2.99.

Top tip: keep the voucher safe to use at our school book fair in March.

Easter Bingo

- Non Uniform Day

On Friday, 13th March, School Council are asking children to bring a chocolate egg (nut free please) in return for wearing clothes of their choice.

All the eggs will go towards prizes for School Council's Easter Bingo Evening.

Easter Bingo

Eyes down for a full house!

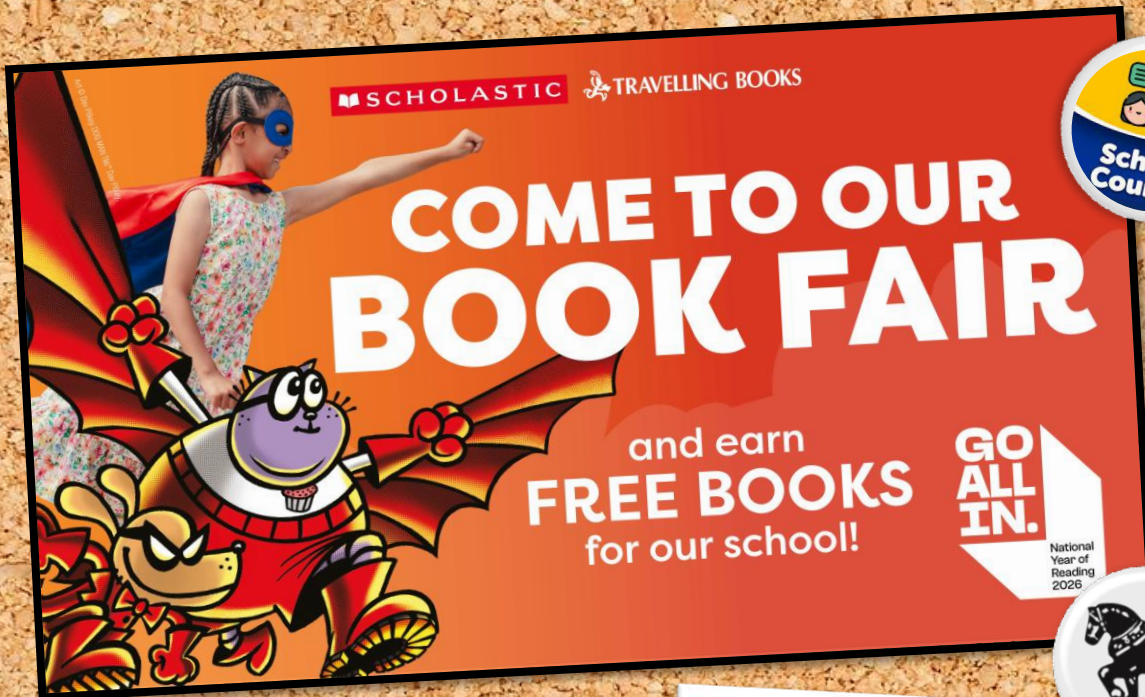

The School Council is excited to announce that Easter Bingo is back! This, family-fun event will be on Thursday 19th March.

Arrive from 5:15pm

Eyes down at 5:30!

At the event, there will be the opportunity to purchase bingo books & refreshments, take part in the big bingo experience and win Easter Egg prizes.

Scholastic School Book Fair

In an ongoing effort to promote a love of reading in school, we will be holding our annual Scholastic Book Fair.

The Book Fair is scheduled to take place on Wednesday 11th March, Thursday 12th March and Friday 13th March.

Please see the end of the newsletter for further details of some of the book titles that will be available (although many more will be available on the day).

Please note that this will be a cash only event!

Top Tip! Keep your World Book Day voucher safe to use at the school book fair!

Red Nose Day & Red Noses

Friday 20th March will also be a non uniform day in aid of comic relief. School Council are keen to raise money for the charity Comic Relief. We will be selling red noses in the days before Red Nose Day. The noses cost £2 each. Noses will be on sale from Monday 23rd February (after half term). There will be a limited number of noses that School Council will have to sell, so please purchase early to avoid disappointment. These are now on sale! Friday 20th will also be a non uniform day where pupils can wear clothes of their choice in return for donation for the charity.

Air Ambulance Charity

At School Council, we have been debating and voting to choose a charity that we would like to support this year. We wanted to choose a cause that is important and makes a real difference to people in our region.

After discussing lots of ideas and taking a vote, we chose Yorkshire Air Ambulance. We were surprised to learn that it is not funded by the government or the NHS. It relies heavily on donations from the public and organisations to keep running.

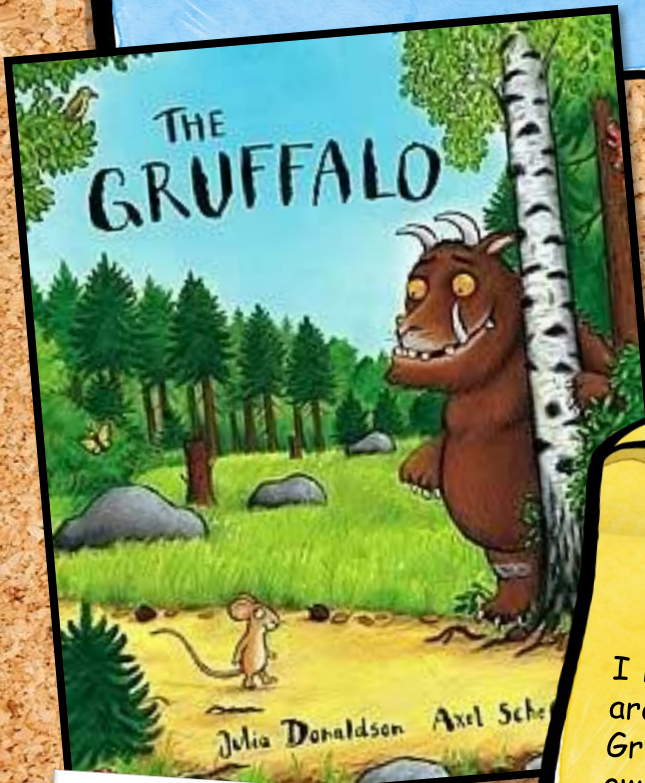

We are now busy planning a fundraising event for the summer term and are really excited to help raise both awareness and vital funds for this amazing charity. We will keep you updated with our plans.

Book Reviews & Recommendations

We love reading and many of our pupils and staff like to recommend fantastic books they have enjoyed, so that other children may be inspired to read even more. We hope to include more recommendations from our children (and staff) in future newsletters. This time School Council have interviewed some children from each class about some much-loved books that they would like to recommend.

Class 1 Book Recommendation

Book: The Gruffalo

Author: Julia Donaldson

Recommendation by: Miles

I like this book. The mouse and the Gruffalo are the main characters. My Favorite is the Gruffalo. The mouse meets a snake, a fox, an owl and then the Gruffalo. The mouse is scared of the Gruffalo at the start, but the mouse gets braver and scares off the Gruffalo! I really like the owl because it is a nighttime animal. Owls are nocturnal. The Gruffalo has purple prickles. I like purple prickles. I really like this book because of the Gruffalo.

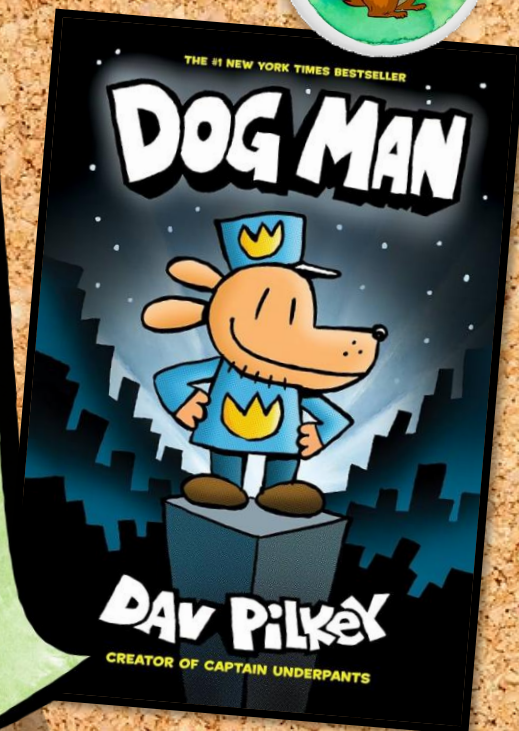

Class 2 Book Recommendation

Book: Dog Man

Author: Dav Pilkey

Recommendation by: Isaac

I like this book and I would recommend it to other children my age. Dog Man is my favourite character. Dog Man is the hero and Petey the cat is the villain. Dog Man is a police officer and also a dog! He defeats many bad guys. At the back of the book there are characters you can draw. In the end Dog Man defeats Petey and makes a new friendship with little Petey. There are many more books in the series to read too!

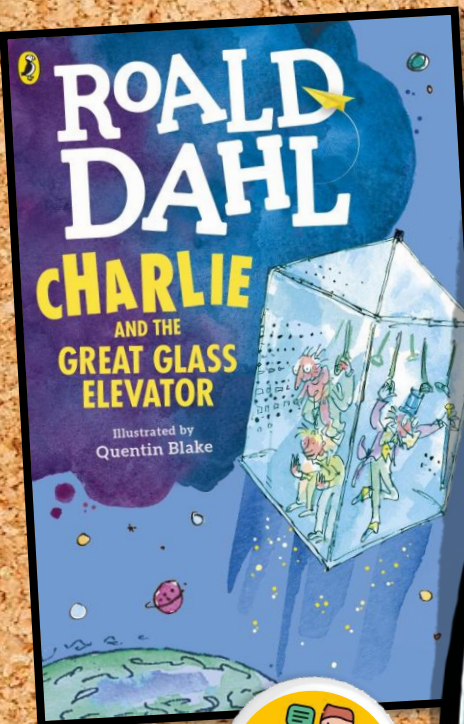

Class 3 Book Recommendation

Book: Charlie and the Great Glass Elevator

Author: Roald Dahl

Recommendation by: Adam

I like this book because it is fun to read. Charlie Bucket is the main character. Willy Wonka is my favorite character in the book. There is big glass elevator and it goes very high and can even fly into the sky and into space! I would recommend this book because it is an adventurous and fun book. Charlie, his family and Willy go on adventures through outer space and see a hotel in space and even battle aliens Vermicious Knids.

PHILIP BUNTING

Do not poke
(can be grizzly).

A prickly
character.

Hungry
hangry hippo.

Not so
charming.

The world's most ~~atrocious~~ ~~fearsome~~ animals.

*or are they?

Just
shocking.

Could do with
a haircut.

Toothy
terror.

Class 4 Book Recommendation Book: **The World's Most Atrocious Animals** Author: Phillip Bunting

Recommendation by: Elsa

I like the information in the book and the pictures are interesting and really fun. My favourite animal in the book is the blob fish! There are lots of strange animals to learn about that you wouldn't see everyday. I would recommend this book to anyone who likes weird and unusual animals as I didn't know some of the animals even existed before reading this book. The book has lots of funny jokes and quotes. I got this book for Christmas and it is very interesting, so I read it every night.

A great website for finding new and exciting books is: **Books for Topics**. They suggest some super books for each year group. Please find the links below:

Family Help Drop-In Support

Our school's Family Help Link has shared details of some local drop-in opportunities that are available to parents and carers.

There is a weekly drop-in session every Thursday at the Acorns Community Hub in Market Weighton. This offers a friendly, informal space to talk things through, seek advice or simply have a chat with a member of the Family Help team. Support is available for a wide range of situations, big or small.

In addition, a member of the Family Help team will be available on the mobile library when it visits Newbald on 1st April and 24th June.

If you feel you would benefit from a conversation or some guidance, you would be very welcome to attend. Please see the posters from the Family Help team for further details.

Family Help Drop In

Every Thursday At **The Acorns Community Hub** in Market Weighton 1pm-4pm

Come and chat to your local School and Community Practitioner.

Visit our drop-in session for a range of advice, tips and resources to support you and your family.

- Understanding your child's feelings and behaviours.
- Supporting your child's emotional health.
- Find out about other services that are available to support you.

Family Help Drop In

Will be joining the Mobile Library on the 1st of April and 24th of June

Come and chat to your local School and Community Practitioner.

Visit our drop-in session for a range of advice, tips and resources to support you and your family.

- Understanding your child's feelings and behaviours.
- Supporting your child's emotional health.
- Find out about other services that are available to support you.

Design & Technology Week

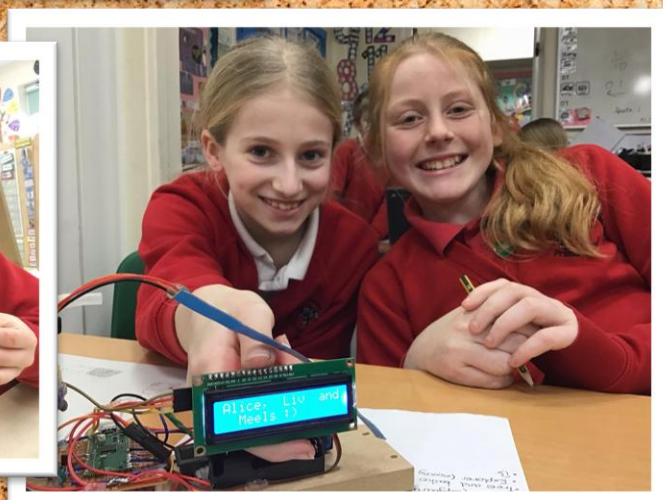

We love our Design and Technology weeks at Newbald Primary School and this week marks our Spring D&T Week.

Keep a close eye on Class Dojo, and Tapestry for Class 1, where we will be sharing lots of photographs of the children designing and making throughout the week.

Class 1 are sewing characters inspired by the Julia Donaldson story *Tiddler*. Squirrel Class are creating cuddly polar animals, thoughtfully designed as gifts for someone special. Class 3 are baking Roman bread as part of their history-linked learning, and Class 4 are using their electronics and construction skills to design and make a cam toy, themed around the country of Brazil.

It has been wonderful to see the creativity, teamwork and technical skills on display across the school.

Attendance

We regularly share attendance information and are very grateful for the continued support from families in helping children be in school as much as possible. Being in class consistently makes a real difference to children's learning, confidence and wellbeing.

We have seen a moderate increase in pupils taking short breaks during term time, often lasting between half a day and four and a half days. These are classed as term-time holidays, and we kindly ask parents, wherever possible, not to remove children from school for short breaks during term time. Even small amounts of missed learning can be more difficult for children to catch up on than it may seem. Schools are not able to authorise these absences.

Schools are required to refer cases to the local authority where a pupil has accrued five or more days of unauthorised absence within a rolling ten-week period. These days do not need to be consecutive and may be made up of several shorter absences. Schools, including Newbald, do not issue any fines or receive any financial benefit, but are required to make a referral when this threshold is reached.

We know that parents make every effort to support good attendance, and this information is shared simply to ensure everyone is aware of how attendance is recorded and monitored. Further information can be found on the local authority website. Please find the link below to the East Riding guidance on term-time holidays and absence from school.

https://www.eastriding.gov.uk/learning/schools-colleges-and-academies/school-attendance/holidays-during-term-time-and-authorised-absence-from-school/?utm_source=chatgpt.com

Attendance Some parents have asked whether authorised absences, such as illness or approved leave, still count towards a child's attendance percentage. The answer is yes. Attendance statistics reflect the total amount of time a child is in school and therefore include all absences, whether authorised or unauthorised.

This is a national requirement set by the Department for Education and applies to all schools, not just Newbald. Schools are asked to account for the amount of education each child has missed, regardless of the reason for absence. While this can sometimes feel unfair, particularly when absences are unavoidable, it helps schools to identify pupils who may have missed key learning and to consider how best to support them on their return.

Diary Dates

(We will let you know about any forthcoming dates as soon as possible)

February 2026

Fri 13 th Feb	Break for half term
Mon 23 rd Feb	Return to school after half term
Fri 27 th Feb	Swimming for Years 3,4 & 5 (pm)
Fri 27 th Feb	FONS Glow Disco (5pm - 6:30pm)

March 2026

Thurs 5 th Mar	World Book Day
Fri 6 th Mar	Swimming for Years 3,4 & 5 (pm)
Wed 11 th Mar	Newbald Book Fair

Payment at our Book Fair

Please check with your school for the best way to pay for your books

- You may pay by card at the Fair via card reader machines if your school has one or by using the online payment link at www.bookfairs.scholastic.co.uk/pay and simply selecting your school from the drop down menu.
- Pre-paid gift vouchers are available in **£5, £10, £15, £20 and £25**. Go to www.bookfairs.scholastic.co.uk/gift-vouchers to buy vouchers for your child before the Fair.
- If you can't attend the Fair in person, your child can order books via a Wish List – please ask your school for details.

HELP EARN FREE BOOKS

Scholastic is one of the largest providers of free books to schools via our Reward scheme which helps to ensure that as many children as possible have access to books that support reading for pleasure. Every time you buy from the Book Fair, you help to make a difference by supporting literacy in your child's setting. Last year, with your help, we gave over £5.3M worth of free books to schools nationwide, which stocked school libraries and classrooms.

*Free books are subject to terms and conditions. Please contact your Book Fair Organiser or Scholastic Book Fairs for details.

All books subject to availability. Book range may vary. ⚠ Warning: Not suitable for children under 3. Small parts.

'The Newbald Way' - Our School Vision, Values and Aims

Below is our school vision, values and aims - capturing what makes Newbald Primary such a special place to learn and grow. We've worked hard to present this in a way that is clear, inspiring and meaningful for everyone in our community - pupils, parents, staff and friends alike.

We're incredibly proud to be part of Newbald Primary School. You'll often hear us talk about doing things "the Newbald Way". This is our road to excellence - the unique approach that brings us together and drives everything we strive to achieve.

Newbald Primary School

At Newbald Primary School, we do things 'the Newbald way!' We are dedicated to creating a nurturing and inspiring environment where every child thrives and aims to achieve beyond expectations. Impossible is just an opinion!

NEWBALD

- Nurturing a child-centred approach, inspiring a love for lifelong learning
- Empowering every child with the confidence, knowledge and skills to reach their potential
- Welcoming diversity and inclusion
- Building values, of respect, kindness, positivity and determination
- Achieving, beyond expectations
- Learning with imagination and innovation, through a high-quality, broad and balanced curriculum
- Developing a culture of where we take appropriate risk

Together, we strive to achieve excellence at Newbald Primary School!!
