KS2 Project: ANCIENT GREECE

Every two weeks we will upload a project focus for our topic.

Project 1 – Monday 20th April – Friday 1st May 2020

- ❖ We would recommend you aim to complete at least 3 of the activities on the Project sheet. Of course you can do all of them.
- ❖ We have included some links to useful websites
- ❖ We would love to see your projects, so please remember to take photos and post onto us, and we will include as many as we can on the website.
- ❖ There is no set way of completing these projects-an opportunity to be creative!

Our topic starts in modern Greece, but we will all travel back in time to Ancient Greece.

We will be covering a range of different subjects in our project suggestions.

Please remember to get in touch if you need any support with anything on our emails.

Thank you for your support. It really is a partnership!
