

How to Make Spring Nest Cakes

You will need: Shredded wheat, melted chocolate, small chocolate eggs and small cake cases.

Method: First, crumble the shredded wheat into the melted chocolate and mix them together. If the mixture is too runny, add some more shredded wheat.

Second, carefully take a big spoonful of the chocolate mixture and add it to a cake case.

Then, put some small chocolate eggs in the middle so that it looks like a nest. After you have decorated all of the nests, put them in the fridge for a few hours until they have set.

Enjoy!
