Headteacher: Mr. P. Flintham

We have recently held our spring term design and technology week! The children have been busy making, designing, building, sawing, tasting, baking, cutting, and sewing. Here are some photos of the excellent work the children have done.

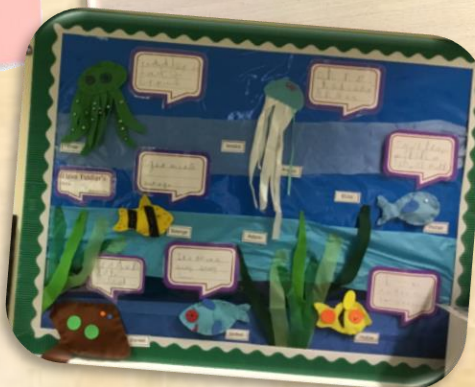

Please use the links next to each project to watch a video for each project.

Hedgehog Class

Our Foundation Stage have been experimenting textiles and joining techniques. They have had great fun designing and making textile characters from the Julia Donaldson story, Tiddler.

Squirrel Class

Fox Class

The children in Year 3 & 4 have learnt about how the Romans made bread and they have used some more modern methods to create their own recipes for their design and technology project.

Otter Class

Otter Class have learnt about cam mechanisms and they have designed and made ancient Greek inspired toys incorporating these cam mechanisms.
