

Newbald Primary School

Thursday 5th September 2024

Welcome Back!

I hope that everyone has had a wonderful summer! The children have made a fantastic start to the Autumn Term, and we have much to look forward to. We welcome some new children and families to our school community, and we hope they feel very welcome. As always, if we can help in any way we will. Please do not hesitate to get in touch.

Newbald Primary School

Beverley Road,
North Newbald,
East Riding of Yorkshire,
YO43 4SQ

Headteacher:

Mr. P. Flintham

School Business Manager &
Designated Safeguarding Lead:
Mrs. A. Rees

Telephone: 01430 827612

Keeping up to Date & Class Dojo

Each half term, we keep our parents updated with our newsletters, but we also use email, text messages and Class Dojo to keep everyone up to date with everything that is going on at Newbald Primary School. We also use Tapestry for those children in Class 1. We post newsletters and important documents on our website so that our parents can log on and get the information when they need it. If there is anything anyone needs, just ask.

We love a photograph at Newbald! We love to celebrate what the children are doing and achieving. We share pictures, messages and updates regularly on Class Dojo and Tapestry for Class 1. Class Dojo has just been updated and pupils should now be in their new classes. Class teachers will be using the app to share updates of what the children have been doing whilst they are at school, but also to share any important class messages.

Many of you have already signed in and are using Class Dojo, but if you haven't yet, please log in, as there will be many more pictures, videos and messages being posted on that platform to help improve our communication. If you require any assistance logging in or you need new log in details please contact the office for help.

YouTube

We have a YouTube channel and like to share pictures and videos of the children throughout the year. If you haven't already visited our channel the link is below.

<https://www.youtube.com/@newbaldprimary398>

Topics for the Year, Curriculum and Contact

On the following page, please find an overview of this year's topics the children will be learning about in class. We try to share as much information as possible about our bespoke curriculum and what the children will be learning about on their journey through school. This is available to view on our website. Some helpful links are below. The class teachers also share half termly class newsletters to keep our parents informed about what the children will be learning and any key information such as PE days and homework.

Our class teachers share their email addresses so that parents can contact them if needed. These are listed below and can also be found on our website. Below you will also find some useful contact details such as the school phone number. At busy times staff may not be available to answer the phone, but there is the opportunity to leave a message and we will get back to you as soon as we possibly can.

2024 - 2025 Long Term Plan

Newbald Primary School - Long Term Plan

Cross Curricular Topic Overview 2024 - 2025

	Hedgehog Class	Squirrel Class	Fox Class	Otter Class
Autumn 1	People who help us 	Florence Nightingale & Mary Seacole 	Prehistoric Britain 	Ancient Egypt 
Autumn 2	The World 	Australia & Oceania 	The Victorians 	Europe 
Spring 1	Dinosaurs 	Weather & Climate 	India & Asia 	The Tudors 
Spring 2	Traditional Tales 	Explorers 	England & The United Kingdom 	Mountains 
Summer 1	Growing (Eric Carle / Life-cycles) 	Our Local Area: Yorkshire 	Coasts 	Britain Since 1945 
Summer 2	Houses & Homes 	Inventors & Inventions 	The Anglo Saxons & Vikings 	Britain Since 1945 

Statutory Assessment	School	National*
EYFS Good Level of Development (GLD)	77%	68%
% Pupils passing phonics check in Y1	83%	80%
% Pupils passing phonics check by end of Y2	100%	91%
KS1 Reading (pupils achieving the expected standard)	100%	71%
KS1 Writing (pupils achieving the expected standard)	88%	62%
KS1 Maths (pupils achieving the expected standard)	100%	71%
KS1 RWM Combined (Pupils achieving the expected standard)	88%	57%
KS1 Science (pupils achieving the expected standard)	100%	82%
Year 4 Multiplication Check (% scored 25/25)	50%	35%
Year 4 Multiplication Check (Average score /25)	22.7	20.7

We are very proud of the children and what they achieve. I would also like to thank parents and carers for all your support in helping the pupils achieve such impressive results.

2024 Statutory Assessment Data

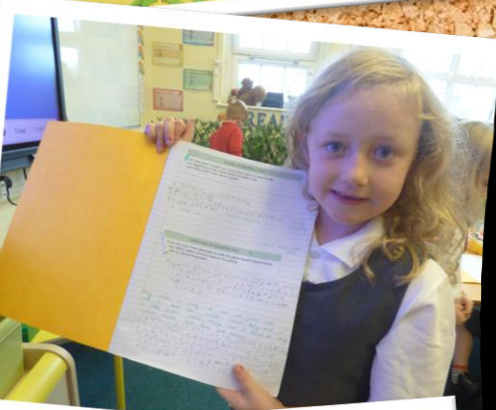

Here you can see an overview of the recent statutory assessment data. In the 2024 assessments, for achieving the expected standard, Newbald Primary achieved **higher** than national average in **EVERY** statutory assessment!

Statutory Assessment	School	Average Scaled Score	National
KS2 Reading (Pupils achieving the expected standard)	92%	107.7	74%
KS2 Writing (Pupils achieving the expected standard)	100%		72%
KS2 Maths (Pupils achieving the expected standard)	83%	105.2	73%
KS2 RWM Combined (Pupils achieving the expected standard)	83%		61%
KS2 GPS (Pupils achieving the expected standard)	100%	105.2	72%
KS2 Science (Pupils achieving the expected standard)	100%		81%

Information Update

Have you updated any of your information over the holidays? If you have moved house or changed your home or mobile phone number, please let us know so we can keep our records up to date. Email is now our main form for communicating with you, do we have your correct email address?

Dates for Significant Events

Below are some Key dates relating to the Department for Education dates for your information.

- Reception Baseline - Tuesday 10th September 2024
- Year 1 Phonics Screening Check - Week Commencing - 9th June 2025
- Key Stage 1 Assessments (Year 2) - Week Commencing - 19th May 2025
- Year 4 Multiplication Check - Week Commencing - 9th June 2025
- KS2 SATS (Year 6) - Monday 12th May - Thursday 15th May 2025

Department
for Education

Class 2 Teaching Arrangements

Unfortunately, Mrs Spencer is unwell and will not be able to join us at school at the moment. Whilst she is not in school Mrs Taylor will be teaching Mondays, Tuesdays and Wednesdays in Class 2. Mr Wilson, our fabulous teaching assistant will be teaching in Class 2 on Thursdays and Fridays in Mrs Spencer's absence. Mr Wilson is a fully qualified teacher and knows the children very well. If parents wish to contact the class teacher, please email Mrs Taylor.

PE Kits

We ask children in Classes 2, 3 and 4 to bring their PE Kits on a Monday and then take them home, to be washed on a Friday. Children in Class 1 do not need to change to a PE kit. More details of each classes' PE days will be shared in class newsletters.

Staff Parking

A polite request for parents and carers to not use the staff car park. Staff and delivery vehicles use the car park at designated times to ensure the safety of pedestrians. Thank you for your understanding.

Polite Reminder

Please ensure that lunches are paid for in advance. If you have any problems, please do not hesitate to contact the school office.

Pupil Premium and Free School Meals

If your child is eligible for free school meals, we want to encourage you to register them.

Children in reception, year 1 and year 2 get free school meals anyway through a different scheme. But if they are eligible for free school meals, we still really want you to register - see why below.

Why register for free school meals?

Children who are registered for free school meals don't have to eat them if you prefer them to have packed lunches. But registering them is still important because for every child registered for free school meals, the school gets an extra **£1,480** through 'pupil premium' funding. Every child registered for free school meals makes a huge difference to the school. You can find more information about pupil premium on our website:

https://newbaldprimary.org.uk/school_information/pupil_premium/pupil_premium.html

Is my child eligible for free school meals?

If you receive any of these benefits, your child may be eligible:

- Income Support
- Income-based Jobseeker's Allowance or Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (as long as you're not also entitled to Working Tax Credit) if you have an annual gross income of no more than £16,190
- Working Tax Credit run-on - but not if you receive Working Tax Credit
- Universal Credit, if your earned income after tax is £616.67 per month (£7,400 per year) or less.

Your child may also get free school meals if you receive any of these benefits and your child is younger than the compulsory age for starting school **and** in full-time education.

How do I register?

For information on registering or checking if you are eligible, please visit:

<https://www.eastriding.gov.uk/learning/schools-colleges-and-academies/school-meals/free-school-meals/>

Please pop into the office for any help you might need or to ask any questions. This additional funding could make a significant difference to our school. We can use it in any way we choose to support eligible children's learning, development, and improve the quality of the education that we provide for your child.

You can also find more information at www.gov.uk/apply-free-school-meals.

Safeguarding

Safeguarding is of paramount importance at Newbald Primary. At Newbald Primary School the pupils are at the heart of everything that we do and are our responsibility and concern. Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families and carers has a role to play in safeguarding children.

Should any visitor, parent or member of staff have any concerns regarding a child, or if a child makes a disclosure to them, they should speak to a member of our safeguarding team. Our Designated Safeguarding Lead is Mrs Rees. Our Deputy Safeguarding Leads are Mr Flintham and Mrs Taylor.

More information about safeguarding can be found on our website using the link below:

https://newbaldprimary.org.uk/school_information/safeguarding/safeguarding.html

Safeguarding

For full details please refer to the leaflet on display in the entrance

Designated Safeguarding Lead: Mrs Allison Rees

Deputy Safeguarding Lead: Mr Paul Flintham

Deputy Safeguarding Lead: Mrs Louise Taylor

Safeguarding & Child Protection Governor:
Mrs Sally Wightman

Early Help & Safeguarding Hub (EHaSH) Office hours: 01482 395500
Children's Emergency Duty Team outside office hours: 01482 393939

THIS SCHOOL IS A

**NUT
FREE
ZONE!**

Nut Free!

A reminder that our school is nut free. All items on our school menu are free from nuts. Please ensure that any items that children bring with them in a packed lunch also do not contain nuts. We also ask that grapes are cut in half.

Parent's Evenings

You will shortly be receiving a letter about the forthcoming parent consultation evening. This will also be an opportunity to see the classrooms and the children's books. It will be fantastic to have a chat about how the children have settled this school year.

KS2 Drama Workshops

As part of East Riding's Creativity Week Classes 3 and 4 will enjoy a drama session with drama artist, Jon Dixon on Tuesday 22nd October. Jon Dixon is artistic director of Dramatic Theatre. Jon has previously worked on many educational projects for Hull Truck, York Theatre Royal and Harrogate Theatre. The children will participate in a drama workshop called 'Kind Mind Superhero' which is a fun, interactive, drama-based workshop designed for children in Key Stage 2. The workshop aims to practically explore effective personal practices for supporting our happiness. Using drama-based games and activities, children will discover creative tools to record and positively impact their emotions.

Freestyle Football Day

All our classes will enjoy a freestyle football workshop on Monday 16th September led by multiple world record holder, Ash Randall. Ash will be demonstrating his amazing skills and will be giving the children tips on how to control the ball and perform some dazzling tricks. We had the pleasure when Ash visited back in 2021 and we are very much looking forward to his return visit.

Attendance

As I'm sure you are aware, there has been an increase in scrutiny from the Department for Education into pupil attendance. **We recognise that when a pupil isn't well, the best place for that child will be at home to recover, but we do encourage that pupils come to school if it is at all possible.**

Statistics nationally show that those pupils with higher attendance achieve higher academically, and our own data shows that this is also true at Newbald.

We have taken great care in planning our exciting and engaging curriculum so that the children at Newbald have great fun in learning and build upon previously learnt skills. Our curriculum is ambitious and each and every day is packed full of learning opportunities. **Everyday matters!**

A guide to attendance is below:

	Attendance Descriptors	Details	Whole Days absent (approximate guide)
Exceptional	Attendance is 99% or higher. Always in school on time.	Perfect attendance is always the aim. No (or very few) learning opportunities or experiences are missed.	0-2
Good	Attendance is 97% or higher. Very rarely late to school.	At Newbald we have high expectations and aim for each child to have an attendance of 97% or higher. We have a class attendance trophy that is awarded to the class with the highest attendance in our weekly special mention celebration assemblies.	3-6
Room for Improvement	Attendance falls below 97% or occasionally late to school.	We understand that sometimes children can be ill or emergencies happen and this can affect attendance. Statistically, attendance of less than 97% gives children less chance of success. Every effort should be made to improve attendance, for it to be as high as possible.	6-18
Cause for Concern - Persistent Absence	Attendance is below 90% or frequently late to school.	Attendance below 90% is considered poor attendance and is regarded as persistent absence by the Department for Education. Attendance below 90% has a serious impact on education. Attendance will be monitored closely and each individual case will be discussed with a Local Authority Educational Welfare Officer on a half termly basis.	19+

Termly, a Local Authority Educational Welfare Officer visits Newbald Primary to discuss any pupil(s) who have less than 90% attendance and the future attendance of these pupils is monitored.

I stress that we absolutely understand that sometimes children are not well or may have to miss school for unique circumstances such as important medical care. We know that this can affect a child's attendance. Whilst any absence affects a pupil's attendance statistics, I will contact parents if I have any concerns about low attendance.

We know that our parents and carers recognise the importance of attendance and punctuality, and we **thank you** for your efforts in getting the children to school every day. Thank you for booking holidays, dentist or non-urgent appointments during school holiday periods. This can really help in raising your child's attendance.

If you are worried about your child's attendance, please do not hesitate to contact me to discuss strategies in which may help improve this. For more information about attendance please see our attendance and absence policy by following the link below:

<https://newbaldprimary.org.uk/documents/%5B843388%5DAttendance Policy - Newbald Primary School 2023.pdf>

Celebrating Excellent Attendance

It is always difficult to set attendance targets as we know, and we understand that a child may be absent from school for unique circumstances such as when a child isn't well or for important medical care.

We do aim that each pupil has the highest attendance possible, and we set the pupils a target of achieving 97% attendance or higher.

Our attendance statistics for the last academic year were higher than national average, but we are committed to improving this further.

Each week, in our Friday celebration assemblies, a trophy is awarded to the class with the highest attendance.

In the Spring Term we will share each pupil's attendance with parents keeping everyone informed. I will contact parents directly if I have any concerns about a child's low attendance.

At the end of the academic year, we celebrate pupils that have achieved excellent attendance. As a small way to mark the achievement, pupils achieving 97% - 99% will receive a certificate and a silver star badge. Children achieving 99% - 100% attendance will receive a certificate and a gold star badge.

Thank you for your understanding and support to raise attendance. It is very much appreciated.

Volunteers

We are extremely grateful to anyone who would like to offer their time to help out at Newbald. We would love some volunteers to listen to our children read, help challenge them to recall their times table facts and more. If you wish to help out in any of our classes please speak to, or email our office staff to start the process. We do ask that any volunteers work in different classes to their children as we find that in some cases having a family member in class can be a distraction.

Uniform

The children look very smart on their return to school and I wanted to thank you for sending your children in the appropriate uniform. We ask that all the children wear the traditional uniform and follow the school's uniform policy. This policy, in line with the DfE guidance, can be found on the website or by clicking on the link below.

<https://newbaldprimary.org.uk/parents/uniform/uniform.html>

Whilst we have not made any changes to the uniform, we would ask you take a minute to view the expectations we have relating to jewellery, shoes, nail polish and when to have PE kits in school. Please make sure that all items are named. Please also keep an eye out for rogue items belonging to other children that have somehow found their way into the wrong bag. By naming or initialling your child's clothing, this can ensure that the jumpers and lost PE kit items eventually find their way back to the rightful owners.

Morning Drop Off

To confirm, our school day starts at 8:50am for all of our children. We aim to open the doors at **8:45** to enable the school day to start punctually and to enable our parents and carers to continue with their daily plans. The front gate will remain open until approximately 8:55am. Please endeavour to ensure that children arrive on time.

Parents waiting to drop off children for the beginning of the school day, are welcome to wait on the playground in the mornings. **All children must be accompanied before school and are the responsibility of their parents and carers.** Children should stay with their designated adult until they can enter the school for the beginning of the school day. Please ensure that children do not play with footballs / balls during these periods.

E-Safety

We continually update our school website with the latest National Online Safety guides covering some of the new apps and games that have been released across the summer. Each guide has hints and tips on how to help your child stay safe online and encourage them to talk to you about how they are using the internet. Click the link to go straight to our E-Safety page on our school website:

https://newbaldprimary.org.uk/parents/e_safety/e_safety.html

Time to Start School!

It is that time of year where children starting primary school will be making their applications through admissions. If your child was born between 1st September 2020 and 31st August 2021 and you live in East Riding you should apply now for a school place to start infant or primary school from September 2025.

Apply for a school place by no later than 15th January 2025 at:

www.eastriding.gov.uk/apply-for-a-school-place

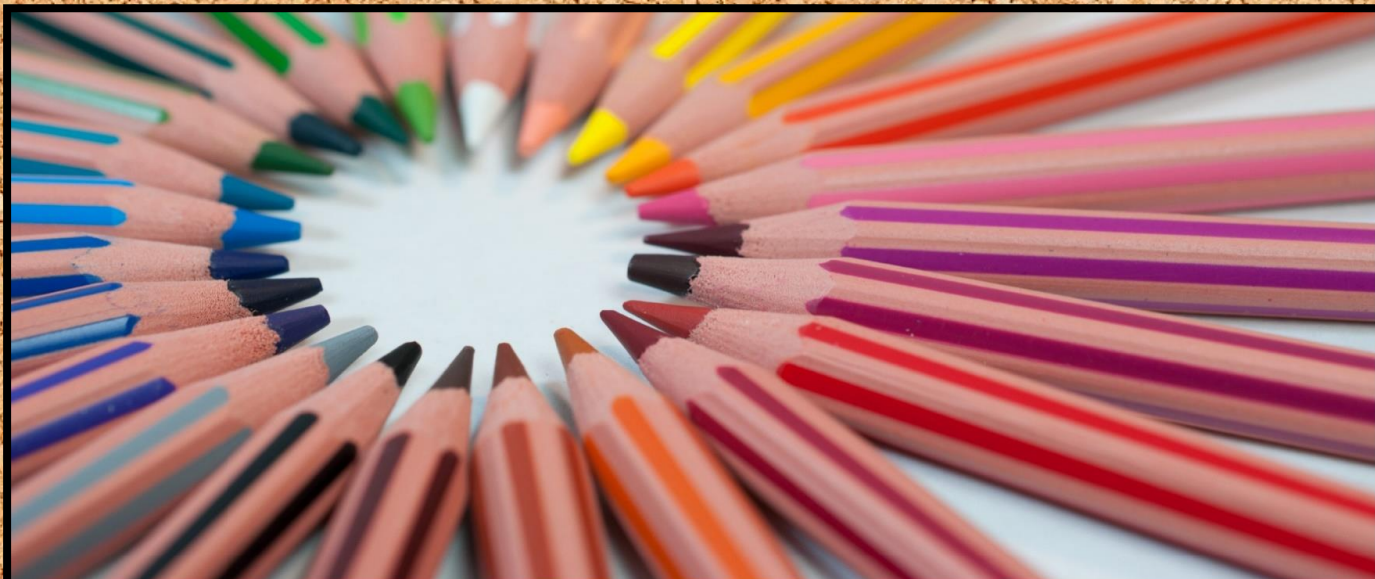

Our greatest advertising is the recommendation and opinion from our school community and the lovely things our parents and carers say about our school. If you know anyone starting school in September, I'd be very grateful if you would recommend our school. Please share our promo video on our YouTube channel.

<https://youtu.be/I4DVv-3IF1M>

If anyone needs any help or advice with the admissions process please do not hesitate to contact our office team who we will be happy to help.

time to start school

If your child was born between
1 September 2020 and 31 August 2021
and you live in East Riding you should apply now for a
school place to start infant or primary school from September
2025

Apply for a school place by no later than 15 January 2025 at
www.eastriding.gov.uk/apply-for-a-school-place

Applications can be made on smartphones, tablets or desktops by registering
an email address and completing the online form on our Citizen Portal.

Application information and advice is available in our Guide for Parents.

The benefits of applying online include an email with the results on
National Offer Day - 16 April 2025.

If you can't apply online, you can ask for an application form from the School
Admissions team and return it to County Hall, Beverley or to any East Riding
Customer Service Centre by 15 January.

EAST RIDING
OF YORKSHIRE COUNCIL

Friends of Newbald School (FONS)

FONS is the Parent Teacher Association for Newbald Primary. The FONS team raise money to support school through all sorts of events. Over recent years the Friends of the school have raised vital funds organising discos, duck races, autumn fairs, egg hunts, Freezy Fridays, raffles and even organised a super auction last year!

The money raised has helped the school purchase much needed reading books, new furniture for the classrooms and most recently brand-new state of the art interactive whiteboards that are the envy of any school. A huge thankyou to the FONS team and to everyone for supporting their ventures. If you would like to find out more about the Friends of Newbald School find them on Facebook. You can also find more information on our website: https://newbaldprimary.org.uk/parents/friends_of_newbald_school_fons/fons.html

The team are always looking for volunteers and helpers if you would like to help out you can message the team using their email: friendsofnewbaldschool@gmail.com or you can alternatively get a message to the team via the school office.

FONS

Friends of Newbald School

FONS Autumn Fair

The annual FONS Autumn Fair is scheduled for Friday 11th October. More details will be shared soon.

FONS AGM

The Annual General Meeting for the Friends of Newbald School (FONS) is on Wednesday 2nd October 2024 at the school. If you are interested in being part of the FONS team, please come along. You will be more than welcome!

Before and After School Clubs

A reminder that we have made changes to our before and after school club booking system, that provides more flexibility for our parents.

After School Clubs

To secure your child's place to attend a specific after school club e.g. Chess Club, Computing Club etc this must be booked and paid for in advance via Parent Pay up to 24 hours before the club starts. You will be able to book as far ahead as the club is available and you will be able to select specific sessions that you wish your child to attend. Alternatively, if your child wants to try a different club each week or on a more sporadic basis, they will be able to do so. Clubs will continue to be allocated on a first come, first served basis.

We are pleased to also offer the option to use childcare vouchers for these clubs, you will just need to advise the school office to make the required adjustments.

We are trialling this new system; we would appreciate any feedback and will keep you informed of any further decisions or changes that will be made.

SUNSHINE CLUB

The new booking system means there will be no requirement to complete and return a booking form for Sunshine Club. Instead, you will be required to book any sessions you would like your child to attend via ParentPay. These sessions will need to be paid for in advance.

Bookings can be amended via ParentPay up to 24 hours before the start of the session, any sessions not attended and not cancelled within 24 hours will still be charged. The cutoff for these sessions are 7.30am for breakfast club sessions and 3.30pm for after school club sessions. If you need to book your child a session within 24 hours, please contact the school office.

For those parents that use childcare vouchers, we will still transfer the funds to ParentPay as normal. Please email admin@newbaldprimary.co.uk to advise us how you would like funds to be split between the various payment options so the adjustments can be made. For example, if you pay £100 and would like £35 to be allocated to breakfast club and £65 to be allocated to after school club we are able to do so. Alternatively, you can give us a standing instruction to allocate a specific amount each time a payment is received.

If you have any queries or need help with the booking process don't hesitate to contact a member of our office team.

Please find details of this half terms' after school clubs on the following pages.

**LIMITED to
20 SPACES**

Computer Club

with Miss Morris

Every Monday starting 9th September 3:30pm to 4:30pm

Must be booked & paid for in advance via ParentPay up to 24 hours before the club starts. **£5 weekly**

Learn coding, animation, micro-bit programming & more

RECEPTION to YEAR 6

Chess Club

with Hull & East Riding Chess Association

Every Wednesday starting 4th September

Must be booked & paid for in advance via ParentPay up to 24 hours before the club starts.

3:30pm to 4:30pm - £5 weekly

Year 3 to Year 6

**LIMITED to
14 SPACES**

Archery Club

with First Steps

Every Thursday starting 5th September 3:30pm to 4:30pm

Must be booked & paid for in advance via ParentPay up to 24 hours before the club starts. **£5 weekly**

Year 1 to Year 6

**LIMITED to
20 SPACES**

Gardening Club

with Mrs Patchett

Every Friday starting 6th September 3:30pm to 4:30pm

Must be booked & paid for in advance via ParentPay up to 24 hours before the club starts. **£5 weekly**

Reception to Year 6

No Gardening club on Fri 11th Oct
due to FONS Autumn Fair. No
Gardening Club on Fri 25th Oct

**LIMITED to
12 SPACES**

KIRFs

Key Instant Recall Facts

KEY Instant Recall Facts (KIRFs)

To help develop children's fluency in mathematics, we ask them to learn Key Instant Recall Facts (KIRFs) each half term. We have identified when key facts should be learnt fluently in order to make accelerated progress.

These 'key facts' have been identified as crucial for our pupils to learn. This knowledge will help pupils become proficient in mathematics and apply their knowledge as they grow and move through school. We find those pupils who know their key mathematical facts go on to achieve very highly and have confidence in their mathematical ability.

We expect children to practise their KIRFs regularly, ideally at least 3 times a week at home to support their learning in school. By the end of each half term, the aim and expectation is that **ALL** our pupils achieve and will be able to instantly recall these facts to support their mathematical fluency in class.

Some KIRFs have facts to learn in blue. These are the next steps for children who have mastered the expected facts and who enjoy a challenge. All facts in black **must** be mastered before moving on to blue ones. The pupils have already been busy working on learning this half term's KIRFs in class as well as at home. We have shared all our KIRF help sheets on our website. To see these please click on the link below:

<https://newbaldprimary.org.uk/curriculum/maths/kirf/s.html>

We appreciate it if parents could help the children learn these facts. There are some ideas to help on each sheet but please ask your class teacher if you need any more ideas to help the pupils practise and learn them at home. They can be completed during the walk to school or over breakfast in the morning; it doesn't need to be a long, formal session of learning or a large time commitment.

Key Instant Recall Facts
Reception - Autumn 1

I can say the numbers from 1 to 5 and back from 5 to 1 in order.
I can say the numbers from 1 to 10 and back from 10 to 1 in order.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

Key Vocabulary
What do I add to 1 to make 2?
What is 1 take away 0?
What is 1 less than 2?
How many more than 1 is 2?
What is the difference between 1 and 2?

Top Tips
The secret to success is practising little and often. Use these wisely. Can you practice these facts while waiting for the bus or during a car journey? You don't need to practice them all at once. Perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

Key Vocabulary
What do I add to 1 to make 2?
What is 1 take away 0?
What is 1 less than 2?
How many more than 1 is 2?
What is the difference between 1 and 2?

Top Tips
The secret to success is practising little and often. Use these wisely. Can you practice these facts while waiting for the bus or during a car journey? You don't need to practice them all at once. Perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Key Instant Recall Facts
Year 2 - Autumn 1

I know number bonds to 10.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

Key Vocabulary
What do I add to 1 to make 2?
What is 1 take away 0?
What is 1 less than 2?
How many more than 1 is 2?
What is the difference between 1 and 2?

Top Tips
The secret to success is practising little and often. Use these wisely. Can you practice these facts while waiting for the bus or during a car journey? You don't need to practice them all at once. Perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Key Instant Recall Facts
Year 3 - Autumn 1

I know decimal number bonds to 1 and to 10.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

Key Vocabulary
What do I add to 0.1 to make 0.2?
What is 0.1 take away 0?
What is 0.1 less than 0.2?
How many more than 0.1 is 0.2?
What is the difference between 0.1 and 0.2?

Top Tips
The secret to success is practising little and often. Use these wisely. Can you practice these facts while waiting for the bus or during a car journey? You don't need to practice them all at once. Perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Key Instant Recall Facts
Year 4 - Autumn 1

I know the multiplication and division facts for the 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12 times tables.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

Key Vocabulary
What do I add to 1 to make 2?
What is 1 take away 0?
What is 1 less than 2?
How many more than 1 is 2?
What is the difference between 1 and 2?

Top Tips
The secret to success is practising little and often. Use these wisely. Can you practice these facts while waiting for the bus or during a car journey? You don't need to practice them all at once. Perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Key Instant Recall Facts
Year 4 - Autumn 1

I know the multiplication and division facts for the 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12 times tables.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

Key Vocabulary
What do I add to 1 to make 2?
What is 1 take away 0?

Messages from School Council

School Council

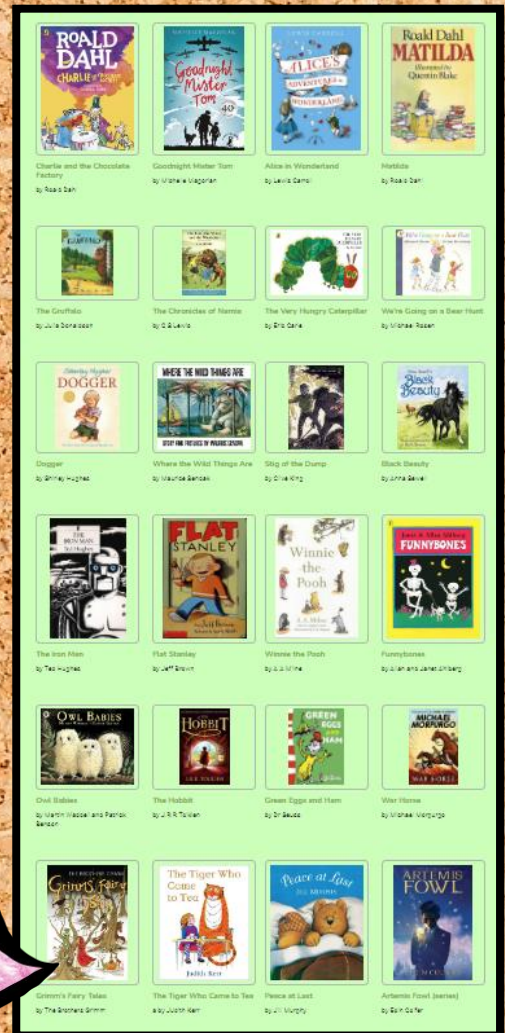

Our classes are busy electing their school council representatives for the school year. We say a big thank you to last year's members of school council. The children were superb in organising events, meeting to suggest ways in which we can improve our school and actively contributing to do so. Last year school council also became our new eco-champions and again our school councillors will be taking on important roles such as this. We will have updates from our new school councillors throughout the year in our future newsletters.

Book Reviews & Recommendations

We love reading and many of our children and staff like to recommend fantastic books they have enjoyed, so that other children may be inspired to read even more. We hope to include some of these in future newsletters. If you need any inspiration for a book to inspire your child, we have a page on our website dedicated to The National Association for Teaching top 100 fiction books they say all children should read before leaving primary school.

MURPHY'S Message

Hi everyone,
It's great to be back! I will once again be back at school to listen to all my friends read. I am usually in school on a Tuesday and Thursday morning and throughout the year I get the chance to listen to each and every child in the school. We love reading at Newbald Primary and I'll be asking some children to recommend some books that they have particularly enjoyed reading so that others might discover these exciting books. I also want to thank all the children for taking part in Miss Alcock's Summer Reading Challenge. Well done! Woof!

Diary Dates

(We will let you know about any forthcoming dates as soon as possible)

September 2024

Tues 3 rd Sept	Autumn Term Begins
Tues 10 th Sept	Reception Baseline Check
Mon 16 th Sept	Freestyle Football Day
